### Organizer of the congress

Serbian Association of Pathologists  
and Cytologists

**14<sup>th</sup> Congress of Serbian  
Association of Pathologists  
and Cytologists  
with international participation**

**14 – 16 June, 2012**

**Belgrade**

**FIRST ANNOUNCEMENT**

**14<sup>th</sup> Congress of Serbian Association of Pathologists and Cytologists  
with international participation  
14 – 16 June, 2012, Belgrade**

*Dear colleagues,*

It is my great pleasure and honour to invite you, on behalf of the 14th Congress of Serbian Association of Pathologists and Cytologists which is to be held in June 2012 in Belgrade, where the 2<sup>nd</sup> Congress of Pathologists and Cytologists of Yugoslavia was held 37 years ago.

Our most valuable asset are our doctors, our members, and thanks to their hard work we manage to maintain an enviable level of professional and scientific work, despite our modest working conditions.

In the recent years we have managed to organize a number of significant activities. Amongst them, I would like to mention five ESCOP schools and collective membership in the ESP, which is just the beginning of our efforts to regain reputation and recognition of pathology of Serbia in the world. The organization of the European Congress of Pathologists in 2015 is our biggest success, pride and a great chance to introduce our young colleagues to the world of developed pathologies.

I hope that the 14<sup>th</sup> Congress of Serbian Association of Pathologists and Cytologists will be interesting and educational. Not only it will serve for exchanging scientific experience, but also for starting new joint projects, renewal of old and beginning of new friendships.

I am proud that the atmosphere of knowledge and ideas rather than people's titles prevails in the Association and, in this sense, the participants will not only be academics or professors, but also young experts, assistants and leading pathologists of our regional institutions.

Welcome!

*Sanja M. Milenković  
President of the UPCS*

## Congress Information

### CONGRESS VENUE

**Hotel M Best Western  
Bulevar Oslobođenja 56a  
11000 Beograd, Srbija**

### Website Congress address

[www.upcs.rs](http://www.upcs.rs)
